The **David Horowitz Freedom Center** focuses on the radical left which seeks to deconstruct American values and disarm this country as it attempts to defend itself in a time of terror. The leftist offensive is most obvious on our nation's campuses, where the Freedom Center protects students from indoctrination and political harassment. Combining forceful analysis and bold activism, the Freedom Center provides a variety of forums for discussion of today's most pressing issues.

The Freedom Center's mission is to defend America's free society by educating the public to preserve traditional constitutional values of: Individual Freedom • Rule of Law • Private Property • Limited Government

A SPECIAL THANK YOU  
TO  
JERRY AND MARILYN HAYDEN  
FOR THEIR  
GENEROUS SUPPORT  
OF THE  
RESTORATION WEEKEND

David Horowitz was one of the founders of the New Left in the 1960s and an editor of its most influential magazine, *Ramparts*. He is the author, with Peter Collier, of a number of bestselling dynastic biographies on the Rockefellers, the Kennedys, the Fords, and the Roosevelts, and *Destructive Generation* (1989), a chronicle of their break with the 1960s Left.

Among Horowitz's more recent books are: *Radical Son* (1997), a memoir tracing his odyssey from "red-diaper baby" to conservative activist, which George Gilder described as "the first great autobiography of his generation"; *Uncivil Wars* (2002), which chronicles his crusade against intolerance and racial McCarthyism on college campuses; *The Professors: the 101 Most Dangerous Academics in America* (2006), which reveals a shocking culture of academic corruption; *Indoctrination U.*, a searing look at political indoctrination in our nation's classrooms; *Party of Defeat*, a summary of how the left wing of the Democratic Party is sabotaging the war effort and *One Party Classroom*, which shows how radical professors indoctrinate students in America's top colleges.

In 1988, Horowitz created the Center for the Study of Popular Culture to institutionalize his campaigns against the Left and its anti-American agendas. In July 2006, it was renamed the David Horowitz Freedom Center. The Center's mission is to defend the principles of individual freedom, the rule of law, private property, and limited government. The Center is supported by 70,000 contributors.

David Horowitz has spoken at over 300 colleges and universities and continues to visit more than 30 campuses a year. He has appeared on *Nightline*, *Crossfire*, *Today*, *Hannity and Colmes*, *the O'Reilly Factor*, *Glenn Beck*, *Good Morning America*, *C-SPAN*, *CNBC*, *Fox News Channel* and *MSNBC*.
